

## **NSA Taps Hardy Smith As Leadership Development Speaker**

The National Speakers Association featured Hardy Smith as the organization's speaker for their January NSA President's Council Campfire Chat.

The monthly conference call provides NSA chapter presidents nationwide with resources to enhance their leadership effectiveness.

Smith, who as a speaker and trainer helps nonprofit groups connect with people and profit, shared tips for developing and implementing leadership succession plans as a strategy for strengthening chapter organizations.

"Hardy was a great choice to have speak on the NSA Chapter President's Conference Call. He shared fresh ideas, applicable techniques, and wisdom. He elevated the standard for these calls AND he brought his sense of humor to the call!" said NSA President's Council Chair Monica Wofford.
